Brian Barrett-Hrominchuk (2 1/2 hours) and Stacey Ross (2 1/2 hours) worked at the Cabella's display on Saturday afternoon and Stacey and Lindsey Ross (4 hours each) worked on Sunday. Thanks!

Louise Curé, Trap Director, wishes to thank everyone for supporting the trap league. It appears that everyone is having a great time completing their rounds and there seems to be some great competitive battles.

Skeet League: starts June 27. Sign-up your team and pay at the same time, or sign-up singly and teams will be randomly assigned.

Volunteer thanks:

Thursday, May 28 was target moving day for the trap houses. This time a light shower was provided to keep the workers cool and happy. I want to thank Lorne Ross, Doug Andrews, David Stelck, Ron Stelck, John Jensen, Derek Smith and Harv Lejuene. Harv, Derek and I also installed a Pat trap in house #1, that is on loan from Brandon, for the Doubles marathon shoot.

I want to thank Derek for going and picking up the trap on Wednesday evening.

On Friday morning Scott Masnuik put the final solution on the club's ongoing septic/sewage problems. All lines leading to and from the clubhouse waste pump have been eliminated (they were leaking) and a new pump has been put in the holding tank itself. A very much simpler solution and we like the KISS principle whenever possible. Huge thanks to Scott and his dad, Gary, for all their effort and thought which has led to a solution.
