

Notice:

Sporting Clay Shoot this Saturday

The new WTSC web address is <http://winnipegtrapandskeet.ca>

Oooops....

I missed thanking Rob Stewart and his Kubota tractor for removing the excavated dirt from the south bunker drainage trench and back filling with gravel...thank you.

I also want to thank Kel Zacharias from Lafarge North America for donating 6 yards of gravel to the club for drainage work around the Olympic bunkers in preparation for hosting the Nationals at then end of August.

Leagues:

Trap league: All scores **MUST** be in by June 13 (last day). I am DONE!...how about you? Louise Curé, Trap Director, wishes to thank everyone for supporting the trap league.

Skeet League: starts June 27. Sign-up your team and pay at the same time, or sign-up singly and teams will be randomly assigned. I've got my no. 9's loaded...just throw a whole cloud of pellets at the targets and hope they break...that's my strategy!

Up-coming shoots:

- WTSC Fun Sporting Clay Shoot: Saturday, June 12 (new date): see attached poster
- Brokenhead Fish and Game Sporting Clays: June 13
- St. Hubertus sporting clay trophy shoot is re-scheduled for June 19 (Saturday).
- Saskatchewan Provincial International Trap Championships: June 19 & 20 in Saskatoon...using their new bunker!
- Trap Provincial Championships at Brandon, July 9, 10 & 11

Welcome new members:

Skeet shooter Roy McLaughlin joined last week, welcome!

Volunteer thanks:

Impromptu target moving occurred Thursday night with Harv LaJuene, Harry Humby, Joe Agius and Brian Konrad giving Louise a helping hand to load some targets into the trap houses.

Special thanks to Derek Smith and Gerry Lajoie for setting the sporting clays course for this weekend. Additional, special thanks to Gerry for climbing the duck tower to un-stick the carriage, which had become fowled on a piece of protruding metal. **Yes the Duck tower is back!** Derek found the much needed huge pulley and Harry Humby welded in the hub that I provided. That is all it took once Derek and Gerry installed the new pulley and belt to have the tower fully operational...watch out for ducks falling out of the sky!

Volunteers Section: (by Brian Konopski: Volunteer Program Coordinator email: bkonopski@winnipegtrapandskeet.com).

Brian will be sending out volunteer specific emails as opportunities arise. *Watch for them!*

Membership cards:

If you do not have a membership card please let Louise know so that it can be printed.

Ladies Program: Started: May 26 - June 9

The guys had better watch out for these sharp shooting ladies. Stan was his usual happy self; dancing, singing and encouraging the shooter.

Gun Raffles:

If you have unsold WTSC Land Purchase Account gun raffle tickets or money from sold tickets, please turn them into Louise. Each book of tickets you sell is worth 2 volunteer points.

House and Grounds news:

Thank you to Derek Smith and George McGowan for mowing the grass this week, there is still a lot more to be done; if you have any spare time please call Ian or Louise.

Once the lake subsides and the ground dries up the grounds will be sprayed for weeds, and flowers planted in the beds.

The flower beds will be expanded and perennials will be planted along with the usual beautiful annuals. A few volunteers are needed to assist in this activity early next week, which is being spearheaded by Pat Anderson. Please call Louise or Ian at 831-1850 for more details.

International Bunker news:

Thanks to Alex Gyori and Gerry Miller for helping me replace the three middle traps (heavily used for doubles) with three traps from other positions that have seen less use. We spent 7.5 hours on Saturday moving and cleaning these traps. The turrets were removed, the clutches inspected and cleaned. Hopefully this will make the doubles part of the Provincials and the Nationals run smoothly in August.

Board of Directors news:

There is a Director-at-large position on the board available. Please contact the President if you are interested.

Things to watch for:

- Shooting leagues: Skeet, Sporting Clay
- WTSC crested clothing to purchase...they are really nice...see order form on web site under store. Sample of clothing is on display at the clubhouse or being worn by members of the Board of Directors (they purchased the first order personally).
- Sporting Clays/compact
