Why not take advantage of the nice weather? These machines are willing, ready and able to allow you to shoot any day of the week. If you have not already taken the short training course and signed the usage wavier, please see Louise the next time the club is open to get set up to use the token systems (both trap and skeet). Reminder: When using the token machines during off hours please fill the machines after you are done shooting. Thank you.

Shoot report:

This past weekend's: Provincial International Trap Championships, were dominated (well just barely) by Alex Gyori who won the singles on Saturday; in very difficult light conditions, and captured the Doubles in 70 km winds on Sunday. I will not mention any scores.

Blast from the Past:

The Pan-Am games have only been in Canada twice: both times in Winnipeg (1967 & 1999) WTSC has been the shotgun sports venue both times. (*little know Pan-Am fact*) This new section will feature achievements and news items from the rich history of the WTSC. If you have stories, photos, newspaper clippings or ideas, please email them to me.

Merchandise:

A limited number of logoed WTSC hats will be available. Colour is Stone. There are two styles: regular and Lawrence of Arabia (the cloth covering your neck).

Group Shoot:

Tuesday evening Agassi brought out a small group; there was a lot of cheering during the evening.

Mid- Season AGM :

This informational meeting has been scheduled for Sept 19 (Sunday) afternoon, come and do some shooting and stay for the meeting. Motions can be brought forward at this meeting for presentation at the AGM. No official club business can be conducted at this meeting.

Volunteer thanks:

I want to thank Stan Orr for officiating the Provincial International Trap Singles on Saturday, then running the 5-stand on Sunday. The shoot would not have been possible without Alex Gyori and Gerry Miller helping me with the bunkers. Helen Fast and Val Stelck handled the registration and canteen duties perfectly. Ron Stelck and hired hand Devin were keeping the traps filled and working well. The only glich was an air hose blowing off in the north bunker, but Ron has made and supplied two (inlet and outlet) hoses that are swagged on and will NEVER come off. Thanks!

Derek Smith and Tom Hancock worked to start re-building the skeet fence between fields 1 and 2. Tom and I finished installing the boards this Wednesday and Thursday.

Volunteers Section:

Volunteers are still needed for roles on upcoming shoots. August is a very busy month for the club. Please see the sign up sheets in the club for these events.

Be kind to your volunteers:

"Volunteers are somebody! Somebody who cares, somebody who devotes time without pay, somebody who praises all, large or small and somebody who has a common bond with others to make things better."

Gun Raffles:

The draw deadline for Junior skeet raffle has been extended into September, there is time to buy tickets on great prizes and also to earn Volunteer points buy selling some books. See Louise for books to sell or purchase tickets.
