Token Machines:

Why not take advantage of the nice weather? These machines are willing, ready and able to allow you to shoot any day of the week. If you have not already taken the short training course and signed the usage wavier, please see Louise the next time the club is open to get set up to use the token systems (both trap and skeet). Reminder: When using the token machines during off hours please fill the machines after you are done shooting. Thank you.

Leagues:

The 5-stand league has been run the past couple of times by Tim Hauff and Don Campbell, as Stan Orr has been away officiating shooting events in the US of A. They have done a great job, one time the weather did not co-operate.

League runs Wednesdays 4:30 pm - dusk and Sundays 10:00 am - 1:00 pm ONLY. You MUST be a member of the league to shoot 5-stand.

The deadline has been extended, due to weather, with Sept 25th being the LAST day, but it is best to get your rounds completed as soon as possible.

Wednesday, Sept 29th will be the league wind-up. (*editor note: should that 'leagues wind-up', or 'league wind-ups' or 'leagues wind-ups'?*) Doors will open at 4:30 pm with shooting and shoot-offs to be completed by 7:00 pm. Dinner and prizes @ 7:00 pm. League shooters free and guests welcome at \$6.00 each.

Merchandise:

A limited number of logoed WTSC hats will be available. Colour is Stone. There are two styles: regular and Lawrence of Arabia (the cloth covering your neck).

Mid- Season AGM:

This informational meeting has been scheduled for Sept 19th (Sunday) afternoon, come and shoot the Vintage Gun Shoot or some regular shooting and stay for the meeting. Motions can be brought forward at this meeting for presentation at the AGM. No official club business can be conducted at this meeting.

Volunteer thanks:

This is going to be a long section...many people helped with the first ever Canadian Nationals International Trap Championships held in Manitoba. Helen Fast organized and ran canteen and registration with Val Stelck's help. Mario Morelato came in to supervise the cooking of the bison roast and carved it- along with some free range chickens, beautifully for Wednesday night's banquet. I want to thank John Jones for his strong support though-out this event. Cleaning a BBQ is not a fun task which he and I did that Tuesday evening!

Ron Stelck and Eric Gysleman were the men outside looking after the bunkers and targets supplies. Louise Curé helped with canteen and some registration. Ian Wood had the grounds and facilities looking totally great. There were many, many comments on how great the club looked. I want to thank Alex Gyori and Gerry Miller for all the time they put in prior to the event getting the equipment in great working order. These complicated systems ran perfectly...with hardly a broken target.

This message is from the Board of Directors: We would like to thank David Mosscrop for all his hard work organizing and managing the Canadian Nationals International Trap Championships. You did a great job David!

Target Order:

Last Friday our last target shipment of the year came in. There were 10 pallets of White Flyer targets (1900 pounds per pallet). Lawson's loaned us a big tractor with forks and Ian (having a flash back to his heavy equipment operator days) expertly moved them off the semi and into the boxcar door where I used a pallet mover to position them into the back of the boxcar. 10 Pallets (630 cases) just fit in the boxcar.

Volunteers Section:

Volunteer scorers needed for this Sunday, September 12th for the National Trap Shooting Day event. This is an easy way to finish off those volunteer points. Please e-mail Louise at lcure@rrc.mb.ca if you can help.

The BoD and the BoD on behalf of the members of the WTSC wish to thank Susan Konopski for her contributions to club this year as Treasurer. Susan tendered her resignation to spend more time on family matters, but will remain active in the club and will complete the club's books until the end of September.

Be kind to your volunteers:

"Volunteers are somebody! Somebody who cares, somebody who devotes time without pay, somebody who praises all, large or small and somebody who has a common bond with others to make things better."

Gun Raffles:

The draw deadline for Junior skeet raffle has been extended to September 19th, there is still time to buy tickets on great prizes and also to earn volunteer points by selling some books. See Louise for books to sell or purchase tickets.

House and Grounds news:

Looking awesome! Super green, the grass and the painting are done. Thanks Ian and crew.

International Bunker news:

The Manitoba Trap Association (MTA) supported 6 Manitoba shooters to this event, by paying registration fees and ammunition costs for the singles event. The six shooters were Alex Gyori, Gerry Miller, David Mossdrop, Kati Jones, Jack Jones, and David Stelck. Kati made the Junior Development National team. David missed the Junior development team by only 2 points. Gerry Miller shot his way into the top six and was in the finals shoot-off. Kati was Junior Women's Single Trap Champion. David was Canadian Junior Men's Singles Open Champion and Junior Men's Double Champion. I want to thank Don Smith (MTA secretary) for submitting on my behalf an application for a hosting grant for the Canadian National International Trap Championships to Sport Manitoba. I have been told that this application was accepted and a bingo given out. Full scores can be found on our website.

Adults and/or Juniors interested in shooting International Trap should contact David Mossdrop (dmossdrop@winnipegtrapandskeet.com) or see me at the bunker some night.
