

THE SHOT STRING

June 21, 1965

HOUSE and GROUNDS - Lloyd Williams

The liquid sunshine has stopped, and the completion of the Shooting facilities is just around the corner. As of June 18th, the forms for the concrete for the Trap Pads are in place and the pouring of concrete is set for June 21 and 22. Keep your fingers crossed. The Skeet Pads are on hand and ready to be installed about the same date.

Thanks to Derek Brown, we were loaned steel forms for the sidewalks, and club members have 200 feet installed and levelled ready for the concrete. We saw Dave Rennie and his cowboy hat busy with a shovel on the sidewalk, but he could only shovel with one hand because he was so busy holding on to the hat with the other.

Ray Foster and Pres. Croft put the chutes on the Skeet Houses and both looked pretty scared up on the high house. Our boy "Ben" (the Demon Contractor) got Art and Kris Oliver, Phil Vardalos and Cam (Who me shovel) McKay out on the sidewalks too. A rake in the Olivers' hands looks like a pronged toothpick.

As soon as Al Wareham's boys are finished with electrical we should be set for a good season of shooting. Come out and help or at least see our new furniture.

Congratulations and well done are in order for Ben Hashimoto for his 97 out of 100 in singles at the Fargo Shoot. The same goes for Kris Oliver for his 96 in handicap at the same shoot. These same two shooters recently put on a top performance at the Brandon Shoot.

The above committee members have been very busy formulating plans for the coming Winnipeg Open Skeet Championships and the Manitoba Skeet Championships to be held August 7 & 8 and September 11 & 12. The

program is designed to attract as many shooters as possible as well as to provide interesting entertainment for all. Everyone will be given the chance of winning something regardless of his shooting ability.

Certainly this report would not be complete without a hearty "Thank you" to the many members who have so far helped in the construction work at the Club. Since I was not available on several occasions myself, I am going to take a chance and mention a few people who gave of their blood and sweat.

Ben Hashimoto; Don Zarro; Harry Simpson; Bill Smith (and his boys); Laurie Green; Jack Sanford; Nick Manchur; Les Manchur; Bill Graham; Len Foster; Charlie Croft; Ray Foster; Cam McKay; Lloyd Williams. A special thank you to Nick Manchur and Les Manchur for the use of some very necessary equipment as well as their help in many other ways.

As soon as conditions permit, a notice will be sent out to all members indicating the date when shooting will resume at the Club. In the meantime, we can use all the help we can get. Contact Lloyd Williams at 772-9554 and 489-5856 or Chas. Croft at 888-2315 and AL 3-4264.
