Good day fellow WTSC members & friends!

The new season has begun in earnest; 5-Stand is now available on every Tuesday evening. We have a young fellow that will be doing the pulling for the members but please show patience as he is not a seasoned operator and it is challenging for anyone to operate at a fast pace and mark at the same time.

We held our first "Stag" shoot of the season on Saturday. There were 18 people who came out and braved the weather to shoot in the pouring rain. Thank you to Harry Humby, David Mosscrop, Ken Wight & the lovely and talented Louise Cure for all helping with the shoot.

Also thanks to Mr. Derek Smith & Tom Hancock for setting up the 5-stand and Sporting Clays courses for our upcoming enjoyment.

Thanks to those whom helped transfer targets this past week to make room for the new shipment and those helping with the new shipment as it arrives.

The 2011 Ladies Trap Program is set to begin on Tuesday June 7th running to July 5th. Please see the website for details.

Don't forget to buy your tickets on the Shotgun Draw, keep dragging your feet and it will be mine! Take a book from Louise and sell to your friends and family, it's a great way to attract new members.

Folks, we still need a person to step up and Chair the canteen and persons to volunteer to help provide service. We also are working with a small executive; any member that could serve the club in a directors position would be greatly appreciated in donating their time and efforts!
